#### *Are we authorised to arrange finance for you?*

#### *What can we do to help finance your vehicle?*

We can introduce you (whether direct to a funder or through a specialist credit broker) to a limited number of finance companies who may be able to finance your transaction. There are other finance companies who we do not have a trading relationship with who may also be able to offer you a product and you are, of course, free to approach them direct yourself if you wish. We will provide you with information and explanations about the finance products that may be available to you and, where we recommend a product to you, we will ensure that this is based on the information you give us about your needs and circumstances so that it is suitable for you. Finance is arranged subject to status and terms and conditions. We cannot guarantee that we will be able to secure finance for you.

#### *Can we give you independent financial advice?*

We are not independent financial advisers and so are unable to provide you with independent financial advice, due to the fact that we will receive a commission payment for any successful application we introduce to a finance company (see below).

#### *Do you have to pay for our service, or do we receive any commission?*

You don't have to pay us for our service.

However, a finance company we work with will pay us for introducing you to them if your application is accepted and you decide to proceed. Different finance companies will pay us different amounts of commission. Commission will be calculated as a percentage of the amount of credit you take (or) based on a fixed fee. The commission we receive will vary according to the amount of credit you take or the finance company's assessment of your credit risk. The amount of commission we will receive will be confirmed to you by us when your application is accepted by a finance company. The amount may change based on any acceptance criteria requested by the finance company or if the items of the deal change between now and the delivery of your vehicle (e.g. if the amount of credit you are taking changes). The final amount of commission, however, will be confirmed to you before you are asked to sign the finance documentation. Please note that we cannot change the interest rate you pay in order for us to receive either more or less commission from any particular finance company. Whilst rates and commissions may vary between finance companies, our aim is always to secure finance from them which is appropriate to your circumstances.

If you feel you require or would benefit from impartial advice related to your potential finance options, then you must arrange to receive this advice independently and we are entirely comfortable for you to do so.

We will use your information to obtain quotes from funders and brokers to process finance applications through them and we and/or they may also conduct a search of your record held with one or more credit reference agencies. Credit checks may as a result appear on your credit file lodged by organisations with whom you have not dealt directly. The personal information collected will also be shared with fraud prevention agencies who will use it to prevent fraud and money laundering and to verify your identity. If fraud is detected you could be refused certain services, finance or employment. Further details of how your information will be used by us, funders and these fraud prevention agencies, and your data rights can be found available on our website. A full data protection notice/privacy notice will be provided to you before we submit any application for finance on your behalf.

We are registered as a data controller with the Information Commissioner's Office under registration number ZB290020
