

Financial Controller

Job Description

Title: Financial Controller, Full-time

Salary: Excellent rates of pay negotiable depending on experience

Location: 21a Rowantree Road, Dromore, Co. Down, BT25 1NN

Thompson Leisure Ltd is Ireland's Premier motorhome dealer. It's a one-stop shop for motorhomes and campervans. We buy, sell, service and store motorhomes.

As an innovative business, we are focused on growth and want to appoint a talented Financial Controller to join our team. There is a fantastic culture offering scope for development.

Reporting to the Managing Director, you will oversee the finance function to include full responsibility for the monthly, and annual accounts to include KPI reporting and analysis.

The Role –

- Managing all aspects of running a fast-paced finance function, liaising closely with our managers.
- Providing timely and accurate financial management information to the Management Team.
- KPI reporting & analysis.
- Maintain and develop the firms Policies and Procedures in line with best practice.
- Facilitate cash-flow management and provide cash-flow forecasts.
- Ensure taxation and legislative requirements are complied with at all times.
- Ensure the accurate and timely reconciliations of ledgers.
- Preparation of annual budgets and forecasts.
- Provide assistance and direction to the Managing Director regarding financial matters.
- Attending and presenting at Board meetings.
- Implementing, organising and driving multiple business-related projects on an ongoing basis.
- Ensuring financial stability and credibility of the business.

The Person –

- Professionally Qualified Accountant (ACA / ACCA / CIMA)
- Essential you have significant, recent, experience as a Financial Controller, preferably within a similar environment with 2-3 years at that level.
- Strong understanding of accounting and internal controls
- Good problem solving and decision-making skills
- Ability to work with minimum supervision, perform under pressure and remain highly effective.
- Excellent analytical skills, good judgment with strong operational focus and solid leadership skills.
- First-class IT skills, including advanced knowledge of Microsoft and an excellent knowledge of an accounting software package.

Excellent remuneration package commensurate with experience.

The role offers an immediate start for the suitable candidate.
