

Motorhome PDI Operative

Job Description

Title: Motorhome PDI Operative, Full-time (Flexibility will be required around peak seasons)

Salary: Excellent rates of pay negotiable depending on experience

Location: 62c Drumnabreeze Rd, Magheralin, Co. Armagh, BT67 0RH

The Role –

Due to continued growth and expansion, we have exciting opportunities within our New PDI Department and are seeking driven and hard-working individuals from all backgrounds.

No previous experience of Motorhomes or Caravans is required as full training will be given, although coming from a production, manufacturing or engineering background would be advantageous.

Job Duties –

- Pre-Delivery Inspection of New Motorhomes
- Inspection of New Motorhomes upon arrival for missing and or damaged items
- Fault finding and diagnosis and repair
- Condition check of Trade in motorhomes to establish reconditioning costs
- Rental vehicle condition checks and preparation
- Annual Habitational Servicing
- Some fitting of accessories: Bike Racks, Awnings, TV aerials and Solar Panels etc.
- Warranty diagnosis and repairs
- Water ingress and damp checks

The Person –

- Methodical and process driven
- Able to complete tasks within given timeframes
- Able to routinely follow established procedures
- Must be fluent in English and be able to write competently
- Excellent verbal communication skills - can communicate information verbally and in writing to fellow team members and customers
- Stability under pressure - reacts well to change and stays positive despite setbacks
- Able to work as part of a team *and* individually
- Able to adapt to the company's needs in the way we deliver our service
- Reliable and takes pride in the quality of their work
- Clean driving license
